

STAKEHOLDER UPDATE

D70 Stakeholder Notice – Central Amenities Works

Update 1: September 2024

BACKGROUND

As part of the construction of upgraded amenity facilities for the security upgrade project, Lendlease will be required to establish construction hoardings to the existing Amenities to Level 2 (south of Central Screening).

SCOPE

- The establishment of the hoardings will be from as follows.
- 11-Sep-24 to 13-Sep-24 – Hoardings established during nightshift hours (11PM – 4AM)
- Amenities will not reopen until Approximately April 2025

IMPACT

Retail storage area, existing amenities will no longer be accessible in this area.

The prayer room will be closed in the interim during construction and will be re established once the project has moved further along towards completion.
