OPERATION

- The Structure will have a two way operation
- Barrows that are inbound will enter via tarmac and be dropped to the left hand side of the structure.
- Barrows that are outbound will enter from the road and exit onto the tarmac and be placed on the left hand side.
- The middle of the structure should be left free for vehicle movement.
- Driving speed is 5kph and is a shared Zone.

For more information:

Patrick Fitzgerald, on 0479198373 or email: Patrick.fitzgerald@bne.com.au
