

STAKEHOLDER UPDATE

D92 Stakeholder Notice Southern Screening Demolition Works

Update D92: September 2024

BACKGROUND

As part of the screening upgrades to the Domestic Terminal, Lendlease will be installing construction hoardings at the existing Southern Screening Point on Level 1 for upcoming demolition works.

SCOPE

- 7th October 2024 – 14th October 2024 – Hoardings to be established during night shift.

IMPACT

The tensa lanes next to the screening point will need to be augmented in line with the hoarding.

Security screening point unavailable. Screening points via new temporary Southern Screening on Level 1 (adjacent Southern Premium Entry) and Central Screening on Level 2.

Escalators at the rear of the screening point will no longer be available from Level 1 to Level 2 and
