

STAKEHOLDER UPDATE

DTB SUP: Temporary Northern Loading Dock Works

D93 Stakeholder Notice: September 2024

BACKGROUND

As part of the construction of the Temporary Northern Loading dock, Lendlease will be required to install two dock lifts to allow for unassisted unloading of goods. Lendlease will be working on half of the area at a time, with the loading dock limited to a capacity of one truck reversing and unloading.

SCOPE

Dates: 1/10/2024-18/10/24. Works include:

- Asphalt removal (trenching), concrete slab pours and dock lift installation.

IMPACT

- One lane will be operational at all times during the works period.
- Spotter will be onsite to ensure trucks do not clash with water barrier exclusion zone when reversing.
