

STAKEHOLDER UPDATE

Domestic Terminal Multi Level Car Park (DTB MLCP) – Skywalk Pedestrian Access

Update 10: DTB P1 & P2 Reconfiguration

As part of the Domestic Terminal Multi Level Car Park P1 & P2 Reconfiguration project, works are scheduled on **Friday 4 October 2024 9am to 3pm** on the Skywalk to facilitate replacement of wayfinding signs.

BACKGROUND

As part of the Domestic Terminal P1 & P2 Reconfiguration Works, the Contractor engaged to carry out the works will be required to replace several signs located on the Skywalk.

SCOPE

The works include:

- 2 stage replacement of Skywalk wayfinding signs, done one after the other.

TIMING

These works activities will occur during the day following the morning peak. The activities will occur **Friday 4th October 2024** between the hours of 09:00am and 3:00pm.

IMPACT

During the works, pedestrian access between the Skywalk and the DTB P1 & P2 car parks will be limited to one side of the central escalators.

To complete the works safely, an exclusion zone will be established using bollards and flagged rope – exclusion Zone extended as per sketch below. In addition to construction signage, two spotters will be present for pedestrian traffic management/movement.
