

STAKEHOLDER UPDATE

ITB Lift & Travelator Upgrade – Lift 5 Survey Works (Tunnel)

Update 1: October 2024

BACKGROUND

Schindler Lifts Pty Ltd will be on site to conduct survey works pertaining to Lift 05 and its associated motor room. These works will primarily involve detailed measurements and investigations to assess the existing infrastructure, facilitating our upcoming upgrade scheduled for Feb'24.

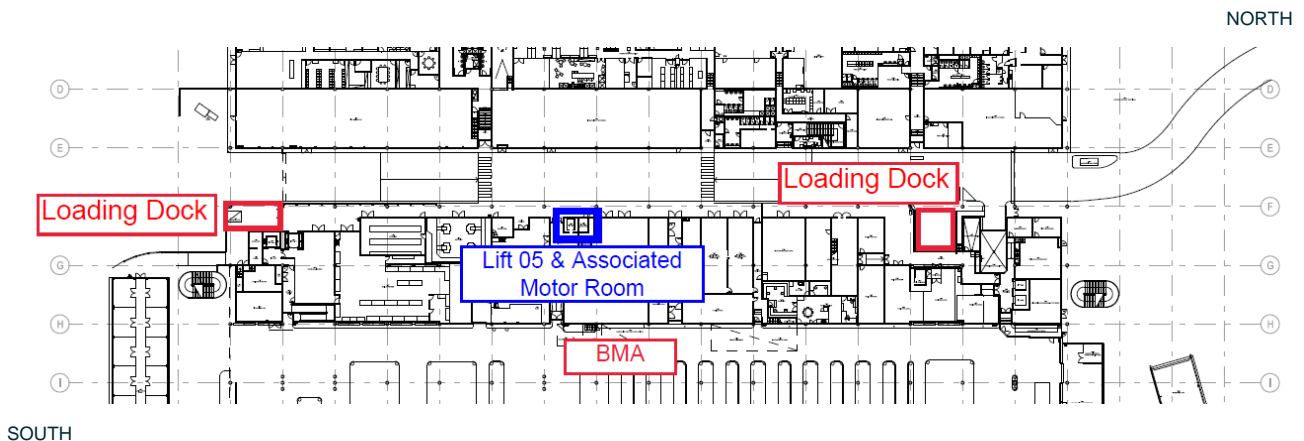

UPCOMING WORKS

Monday 14 Oct 2024 between 1200-1400hrs

Please be advised that between 1200 - 1400hrs on Monday 14 October 2024, the lift within the Customs Hall (that provides access between Levels 1 - 2 and vice versa) will be taken out of service.

LOCATION

ITB - LEVEL 01 TUNNEL

IMPACT

The lift will not be able to be used at this time.

We have no reason to believe that the lift will be out of service any longer than just the 30-minute period.

Please make sure your staff are aware and plan to not be able to use this asset during this period.
