

# STAKEHOLDER NOTICE UPDATE

DTB SUP – Central Satellite - Sewer Reline

D104 Stakeholder Notice Issued: October 2024

As part of the baggage handling system upgrade Lendlease are required to reline the inground sewer line running through the CBS. To facilitate these works Lendlease need to shut down the existing sewer line for a period.

## BACKGROUND

As part of the baggage handling update Lendlease are relining the existing sewer line running through the CBS.

## SCOPE – WORKS BEING COMPLETED 29<sup>TH</sup> OCTOBER 2024

- Sewer main servicing the DTB Centre Satellite requires internal pipe relining as part of the DTB SUP upgrade.
- Relining works includes deletion of 1 x existing sewer manhole, and alterations to additional 1 x sewer manhole

## IMPACT

- Centre Satellite L2 Retail Tenancies & Amenities on L1 and L2 will be unable to discharge to sewer whilst works are undertaken during the periods of Tuesday 29 October 8pm until Wednesday 30 October 4am on. Sewer Main will be reinstated outside of these hours.
- In addition to signage, toilet entry door will be taped off. Toilets will also be taped shut.
