

# STAKEHOLDER UPDATE

## D125 Stakeholder Notice – Roofing – Road Crossover

Update 1: November 2024

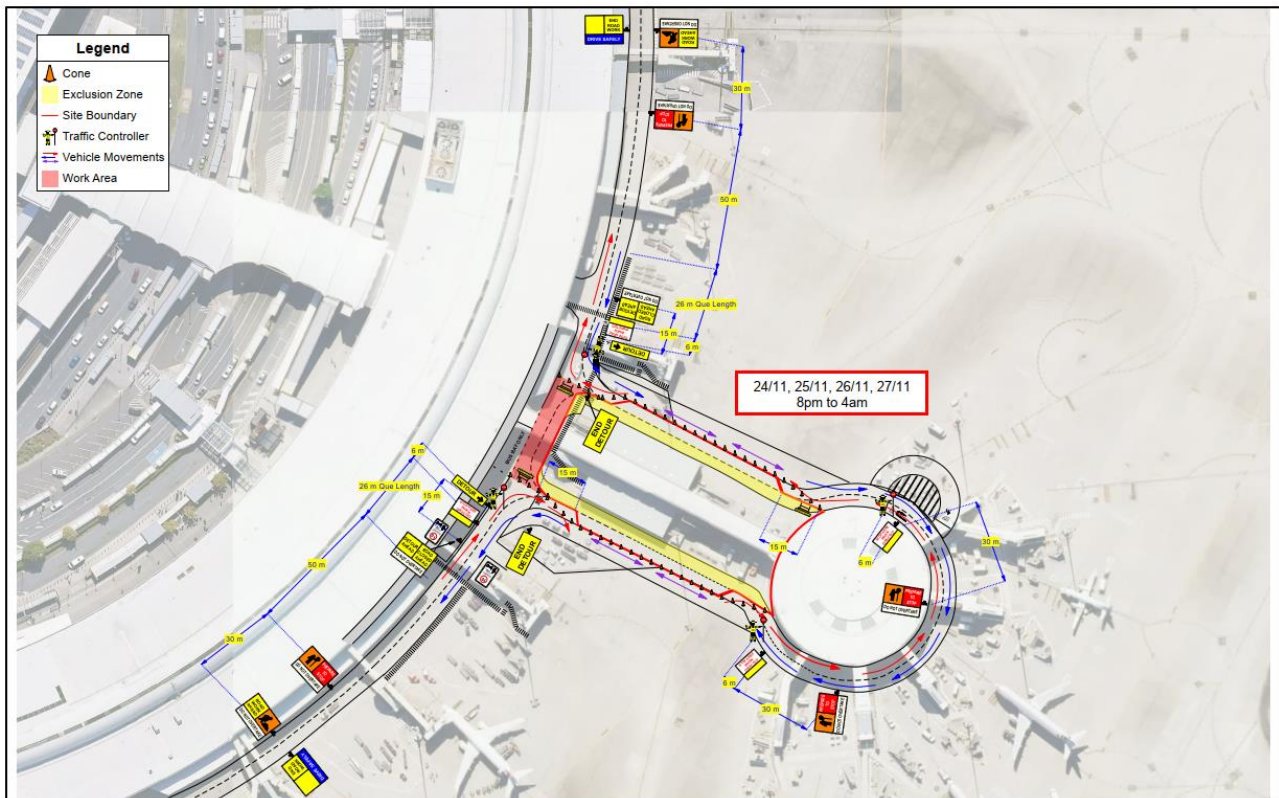

### BACKGROUND

As part of the construction works for the Central Baggage System (CBS), Lendlease will need to install roof sheeting to the road crossover.

### SCOPE

- **Road Crossover Roofing Works:**

- 8pm to 4am, 24/11/24 to 27/11/24 night-shift.
- As per the Traffic Guidance Scheme (TGS) below, the road crossover will be closed, and vehicles will be redirected to travel around the central pier using a contraflow system. During the roof installation process, five traffic controllers will be on site to effectively manage traffic flow.

**For more information:**
