

STAKEHOLDER NOTICE

Emergency Change - SITA Network

D150 Stakeholder Notice Issued 16: January

An emergency change is required to reinstate secondary SITA firewall following outage on 22/01/2025 to restore full redundancy to SITA systems within International and Domestic Terminals.

CHANGE WINDOW

- Start: 22/01/2025 – 0200hrs
- End: 22/01/2025 – 0400hrs

IMPACT

Brief outage to SITA CUTE/CUSS platforms during the change window

SITA will be onsite to co-ordinate testing of Check-in/Gate workstations following the outage.

- Amadeus ACUS within International and Domestic terminals are not impacted during this window.
