## BAC DTB SUP – Concrete Pours – Southern BMA

STK-N D221  
Date 2 May 2025

As part of the Security Upgrade Project, Lendlease are required to construct the Southern Baggage Handling area, which involves concrete pours for the BHS plinth and ramps, as highlighted green below.

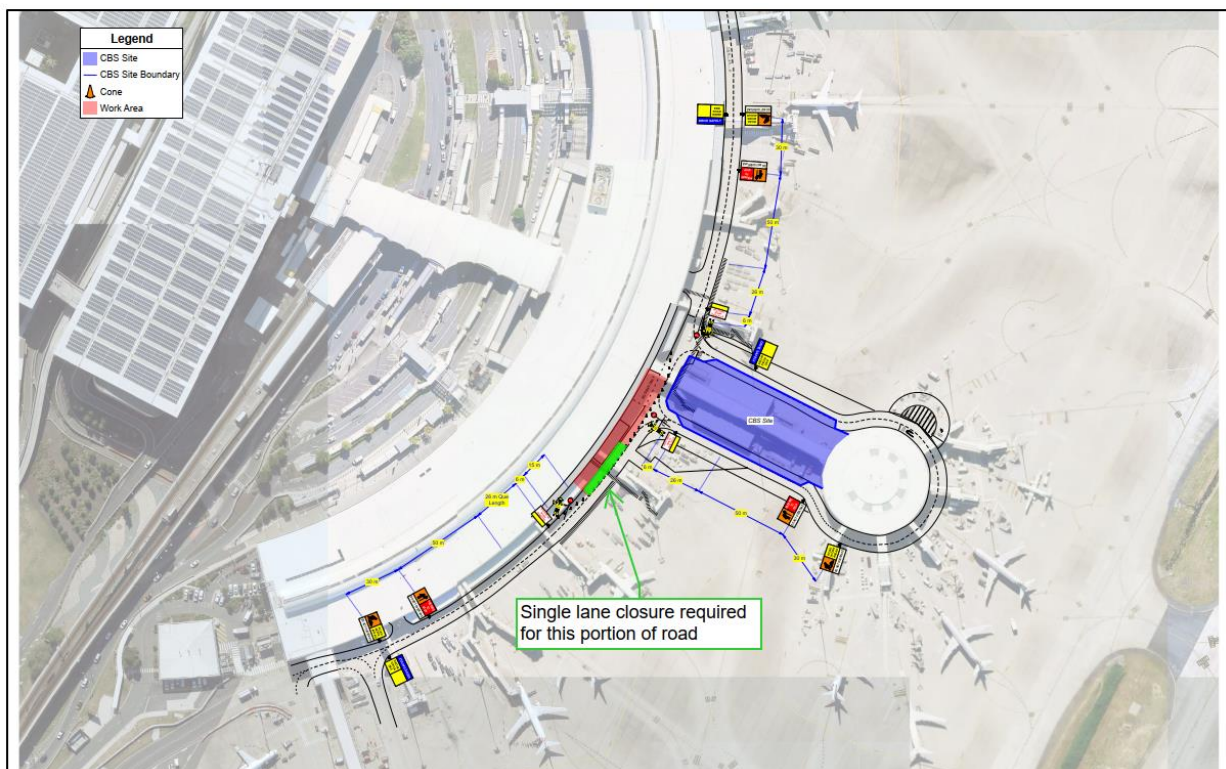

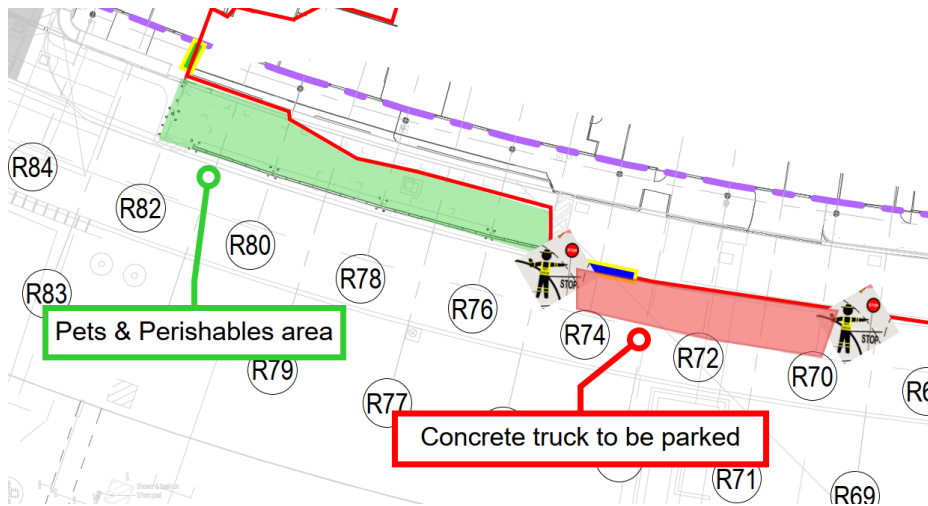

### Location

## Scope of Works

- **Southern Bag Hall – Concrete Pours:**

- **Pour 1:** Thursday day-shift, 8<sup>th</sup> May, 7am to 4pm. The pour will take six hours within this timeframe. Please be advised that while Thursday is the targeted date, the pour may be shifted to Friday if unforeseen circumstances arise.
- **Pour 2:** Tuesday or Wednesday day-shift, 13<sup>th</sup> & 14<sup>th</sup> May, 7am to 4pm. The pour will take four hours within this timeframe. Please be advised that while Tuesday is the targeted date, the pour may be shifted to Wednesday if unforeseen circumstances arise.
- As per the Traffic Guidance Scheme (TGS) below, there will be a single lane closure for the portion of road highlighted green, to accommodate the concrete truck and pump. Three traffic controllers will be present on-site to manage traffic flow.

## Impacts

Staff members should be informed of the single lane closures and traffic management changes that will be in place during the concreting works.
