

SAFETY NOTICE 23 DOMESTIC TERMINAL SECURITY UPGRADE PROJECT (DTBSUP)

The following essential information must be passed to all Skywalk / Domestic Airtrain Wardens and staff by tenants who must make themselves aware of these changes.

Temporary Closure of Emergency Egress

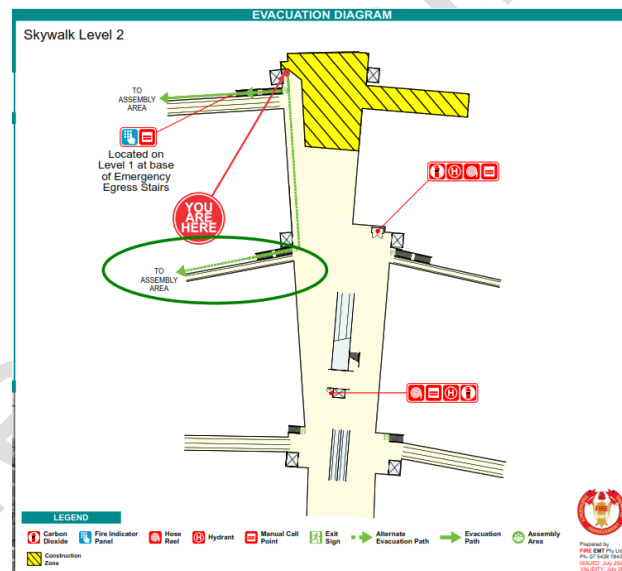

1. As per D269 Stakeholder Notice - [DTB Skywalk Link Travellator Works regarding works in the Northern Regional Passback](#) this will temporarily close the emergency egress route at the southern travellers nearest to the terminal. Alternate routes will need to be used.
2. Wardens and staff in effected areas **MUST** familiarise themselves with new secondary egress routes.

The expected duration to these routes is as follows:

- a) 15th July – Approximately 19th August 2025

3. The Alternate routes are shown below.

- From the northern travellers, the secondary emergency egress route will be through the emergency egress located by the next set of travelators to the west (green circle below.)

4. Local Skywalk evacuation diagrams **will** be amended during this closure to reflect this change.

Please contact me if you have any questions regarding this.
