

# Stakeholder Notice

## DTB SUP – Northern BMA chilled water pipe alteration

STK-N D286  
Date 31 July 2025

[Weekly Works - Power BI](#)

Lendlease will be altering the chilled water pipe within the Northern BMA to allow installation of new Baggage Handling System. Works will be conducted 7 August between 1900 and 8 August 0100.

## Location

Northern BMA

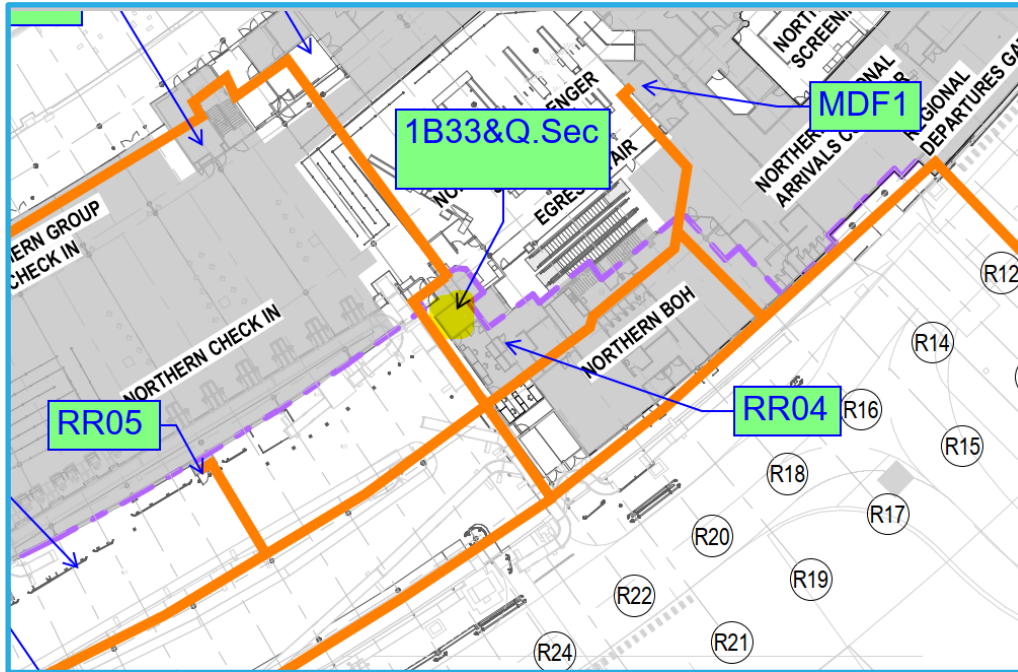

## Scope of Works

- Remove insulation and install freeze boxes on the existing pipework in the locations shown above: 1900 - 2000
- Close existing isolation valves to stop water flow: 2000
- Freeze the pipework: 2000 - 2130
- Drain the section of pipe between the pipe freezes and FCU from the FCU valve set drain. This is approximately 36 metres of 25mm Cu pipework: 2130 - 2200
- Cut and alter the pipework to suit the new configuration, new 80mm future isolation valves with a set of air vents to be installed: 2200 - 0001
- Refill, vent & test new pipe section: 0001 - 0100

## Impacts

- Air conditioning feeding comms room 1B33&Q.Sec will shutdown during this time. A temporary A/C will be operating in the room during the works period with nil impact to operations.
