STK-N 1284
Date 30 July 2025

[BNE – Stakeholder Notice Summary](#)

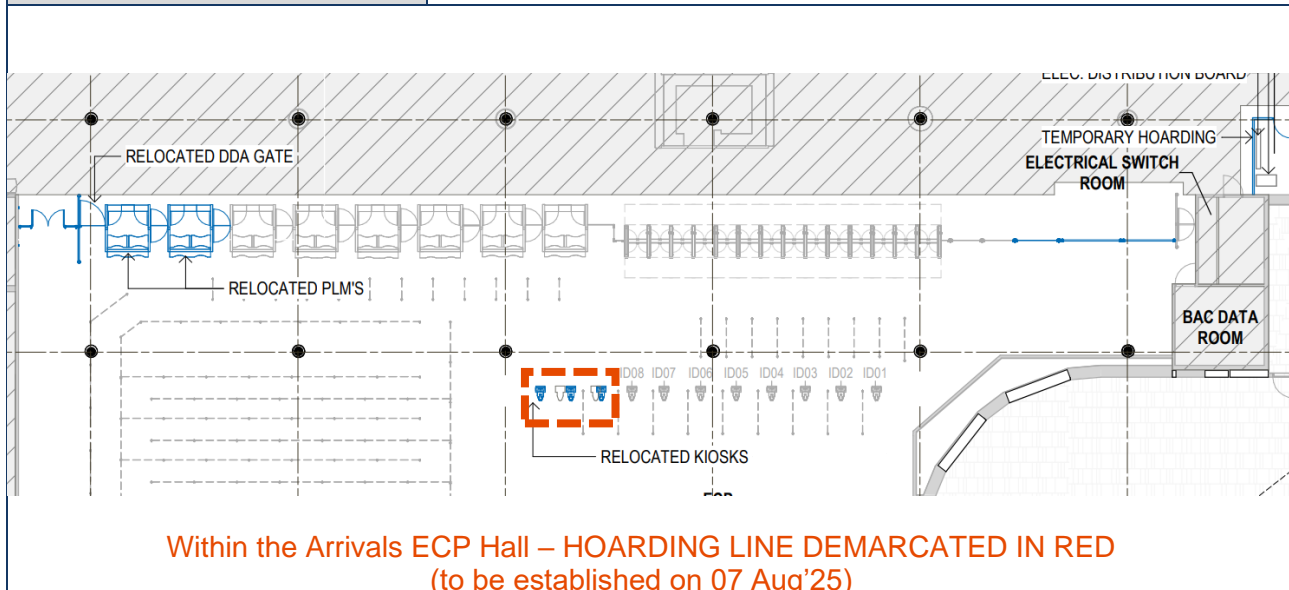

Relocation of 3x kiosks from the Southern Concourse Area, into the Arrivals ECP Hall.

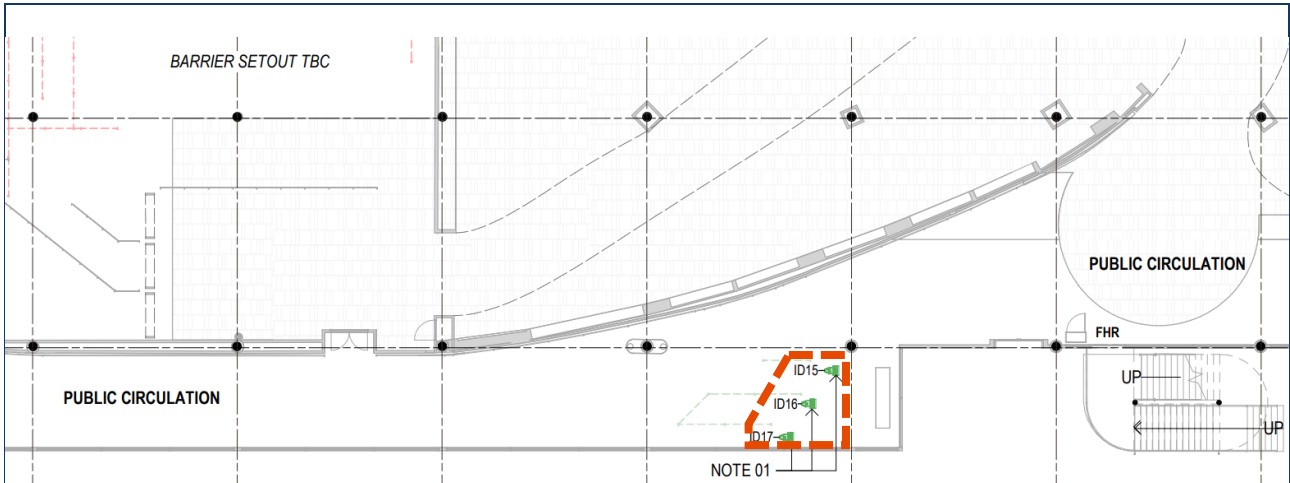

Location

Level 02, Arrivals ECP Hall, International Terminal Building

Scope of Works & Impact

Date	Activity
07 August 2025	Installation of 1.4m high Hoarding around proposed kiosk locations, Rough In (Services) and Slab scanning within the Arrivals ECP Hall – Marked with orange dotted box.
08 August 2025	Pending Rough In (Services), Slab scanning and penetration associated works at the proposed kiosk locations within the Arrivals ECP Hall
11 August 2025	Installation of 1.4m high Hoarding around existing kiosks (Southern Concourse) Relocation of 3 kiosks from Southern Concourse into Arrivals ECP Hall
12 August 2025	Removal of 1.4m high Hoarding

Within the Southern Concourse – HOARDING LINE DEMARCATED IN RED
(to be established on 11 Aug'25)

Please ensure your teams are informed and plan accordingly, as access to the demarcated areas will be restricted during this period.

Terminal Operations in collaboration with Australian Border Force, will implement a revised ECP queuing layout to accommodate the upcoming works. Details will be shared closer to the commencement of the affected works.
