

Stakeholder Notice

International Terminal Security Retail Upgrade Project | Level 4 Steel Installation – Food and Beverage Area

STK-N I-101
Date 19 August 2025

As part of the International Terminal Security Retail Upgrade Project (ITB SRUP) structural steel installation is required on Level 4.

Scope of Works

The works will involve the installation of structural steel beams to form part of the new Level 4 food and beverage area. All activities will be carried out within the construction work area.

To facilitate these works safely, an exclusion zone will be established adjacent to the hoarding in Work Area 4.6 to 4.10. Please refer to the below map for location of hoarding.

Impacts

Type of works	Date Range	Time	Impacts
Structural Steel Installation	20/08/2025 to 29/08/2025	23:30pm to 03:30am	Exclusion zone in place using temporary barriers. Access to the cleaner's cupboard will be unavailable.
