Date 3 September 2025

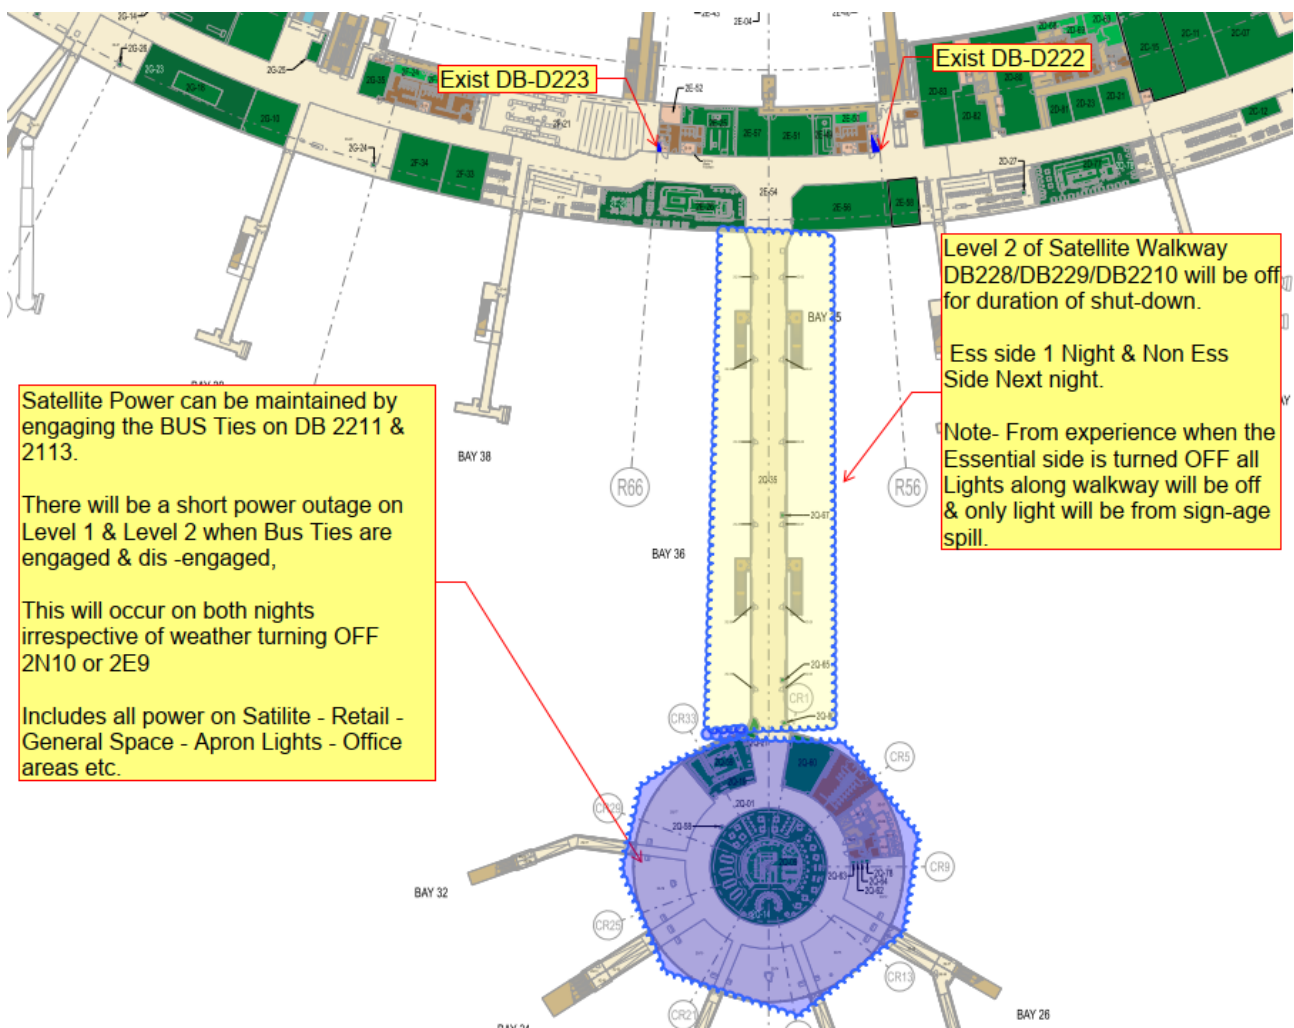

[Weekly Works - Power BI](#)

As part of the DTB Project works, existing sub-mains have been identified within the construction area that need to be diverted to make way for the new Passenger Screening on Level 2.

## Location

### Level 2 Central Area

## Scope of Works

Works include:

- Run diversion cables from Level 1 link bridge to Level 2 riser
- Undertake a shutdown for each of the below supplies
  - 2E9 - Essential supply to satellite
  - 2N10 - Non Essential Supply to satellite
- For shutdown of each board:
  - Existing cables to cut and joined to new diversion cables
  - Test new cables
  - Re-energise board
  - Remove redundant cables

## Impacts

Shutdown dates and impacted boards detailed below:
