

# Stakeholder Notice

## DTB Car Park 2 Extension Project (P2X)

STK-N 1243  
Date 24 September 2025

[Weekly Works - Power BI](#)

As part of the Domestic Terminal Car Park Expansion Project (DTBP2X), ADCO Constructions will be conducting final programming for the **Fire Detection Control and Indicating Equipment (FDCIE)** in the P2.

This notice outlines the planned closures, schedule, scope of works, and key safety controls to ensure minimal disruption and the safety of all road users and stakeholders.

## Location

P2X impact locations:

Figure 1: Impact locations

## Scope of Works

### P2 FDCIE works

**Date:**

Monday 29 September 2025

**Time:**

6:30 am to 2:30 pm

**Scope:**

This includes programming the smoke detection system and sound pressure testing, which may result in alarm tones being heard throughout the car park. All safety measures are in place, and the fire alarm system will be restored daily. Works are expected to last up to eight hours and will not impact normal car park operations

## Impacts

- **Alarm Testing:** Alarm tones may be heard throughout the car park during sound pressure testing.
- **Temporary Fire System Impairment:** The fire alarm and detection system will be isolated for commissioning, but will be restored daily.
- **No Impact to Parking Operations:** Car park access and normal operations will not be affected during these works.
- **Safety Measures in Place:** All works are conducted under strict safety protocols and approvals.
