DTB Northern Satellite Bathrooms Power Isolation -DB 128

STK-N D337
Date 29 September 2025

[BNE – Stakeholder Notice Summary](#)

Northern Satellite bathroom – Distribution Board Outage _DB 128: 12-19 October 0001 – 0400.

Location

DTB, Level 2, Northern Satellite, satellite link, and satellite apron lighting and perimeter road.

Scope of Works

As part of the construction of the Northern Satellite Amenities, an electrical tie -in to DB 128 will be required. In addition to these tie-in works, the old breakers within the board will be upgraded to new RCBO breakers to ensure compliance.

Impacts

During this time (details of affected circuits below) lighting and power in the following areas will be impacted over various nights dependent upon essential / non-essential isolations:

- Level 2 Northern Satellite
- Perimeter lighting
- Apron lighting on the Northern Satellite (concourse apron lighting will not be impacted)
- Aerobridges 17-18 (please ensure aircraft disconnected from bridges)

Timing

Night 1: Sunday, 12/10/24 (non-essential)

Night 2: Monday, 13/10/25 (Non-essential)

Night 3: Tuesday, 14/10/25(Non-essential) or (Essential) pending status of earlier works

Night 4: Wednesday, 15/10/25 (Essential)

Night 5: Thursday, 16/10/25 (Essential)

Night 6 (if required): Friday, 17/10/25 or Sunday, 19/10/25 (Essential)

Time: 0001 to 0400
