

# Stakeholder Notice

## Domestic Terminal High Cleaning

STK-N: D351  
16 October 2025

### Location

Domestic Terminal level 2 Sterile area

### Scope of Works

Please be advised that Famaso will be undertaking high cleaning works in the Domestic Terminal Level 2 sterile area from 20 October to 28 October nightly from 2100 – 0500.

High cleaning activities will be conducted across designated zones see screenshot below for nightly breakdown.

Works will be carried out using an Elevated Work Platform (EWP).

A spotter will be present each night to ensure safe movement of staff and passengers around the work zones.

### Impacts

Minimal impact to Business-As-Usual (BAU) operations.

Exclusion zones will be set up during cleaning to ensure safety and efficiency.

All necessary precautions will be taken to avoid disruption.
