

# Stakeholder Notice

## ITB Rooftop Solar – Electrical Switching on NCC

STK-N-133 – Reissue with new date  
Date 8 November 2025

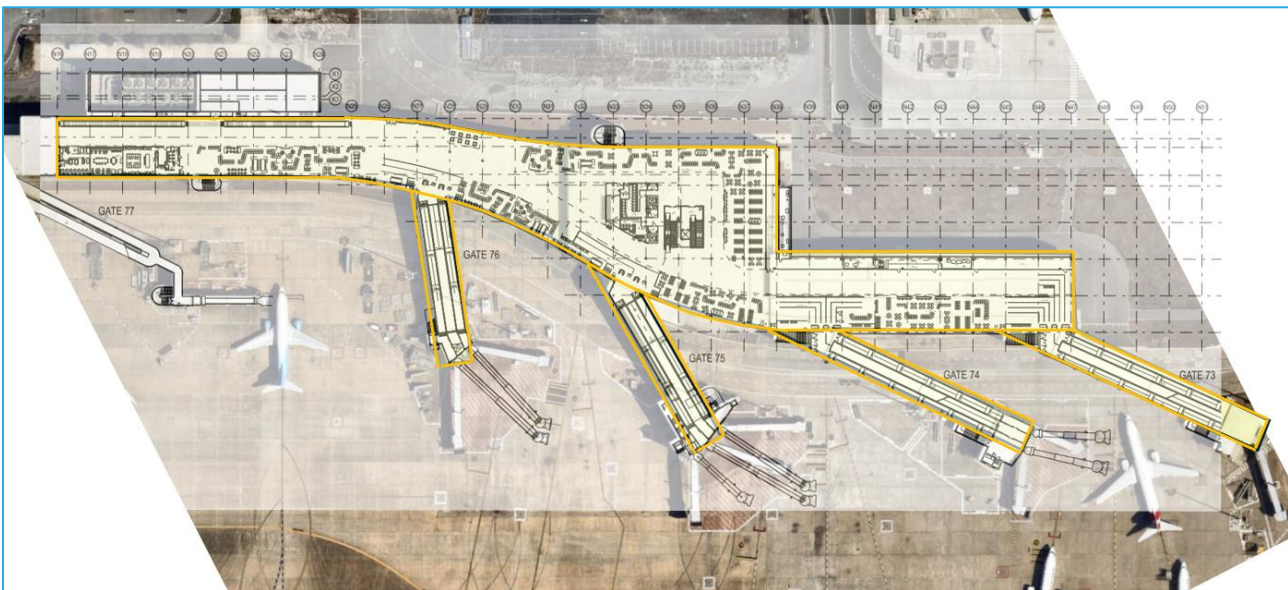

As part of Brisbane Airport Corporation's (BAC) sustainability initiatives, electrical switching works will take place in the International Terminal's Northern Concourse (ITB NCC) to finalise commissioning of the rooftop solar project. The broader project involves new solar installations across the ITB Multi-Level Car Park, Northern Concourse (and Extension), and Southern Concourse. This notice covers works that may briefly impact power quality at specified locations.

## Location and Impacts

The impacted area is between Gate 73 and Gate 76.

This switching work may periodically impact power quality in the affected area below.

During the above-mentioned period, do not be alarmed by a flickering of lights or a brief interruption to sensitive equipment.

## Scope

As part of Brisbane Airport Corporation's (BAC) sustainability efforts this project will upgrade the solar energy system at the International Terminal's Multi-Level Car Park, Northern Concourse (and Extension), and Southern Concourse. Work began on this project in September 2023 and it was commissioned by December 2024. A final phase involves electrical switching in the Northern Concourse to recommission parts of the new solar system.

In summary, the broader project involves installation of new solar infrastructure in the following areas:

- International Terminal Building Multi-level Car Park (ITB MLCP)
- International Terminal Building Northern Concourse and Extension (ITB NCC and NCX)
- International Terminal Building Southern Concourse (ITC SCC)

## Timing

Electrical switching works are scheduled for the following dates and times:

- Monday 17 November, 12:30 – 14:30hrs.

## Project Contacts

Key personnel will be on-site during the works to ensure any issues are rectified as soon as possible. Please direct any questions to Andrew Lawrence. If you are experiencing any issues relating to facilities, please contact Steve Hunwick.
