| To | Brisbane Airport employees |
| From | Airtrain |
| Regarding | Full Track Closure – 4 th & 5 th February 2023 |
| Date | 27/01/2023 |

To all Brisbane Airport employees,

Please be aware that Airtrain will be experiencing a full track closure between the Airport and Brisbane City Stations from the first service Saturday 4th until the last service Sunday 5th February. **There will be buses replacing trains in both directions.**

Travelling to the Airport

- There will be an **Express** bus service, operating every 15 minutes (with 10 minute services between 7am-5pm) from **Roma Street Station (platform 1)** travelling to the Domestic Airport and then the International Airport. If you are travelling from the Gold Coast, Central station, or Fortitude Valley station, catch the train to Roma Street station to connect with the express rail replacement bus. This service is bus R700 on the TransLink Journey Planner.
- There will be an **All stops** bus service, operating every 30 minutes from **Bowen Hills Station**. This service will travel to Albion, Woolloowin, Eagle Junction, the Domestic Airport and then the International Airport. This service is bus R701 on the TransLink Journey Planner.

Travelling from the Airport

- There will be an **Express** bus service, operating every 15 minutes (with 10 minute services between 7am-5pm) from the Domestic Airport stopping at the International Airport and then running express to Roma Street Station. If you are travelling to the Gold Coast, Central station, or Fortitude Valley station, catch the bus to Roma Street station and transfer to a connecting train service. This service is bus R700 on the TransLink Journey Planner.
- There will be an **All stops** City bus service, operating every 30 minutes from the Domestic Airport. This service stops at the International Airport and then travels to Eagle Junction, Woolloowin, Albion and Bowen Hill Stations. This service is bus R701 on the TransLink Journey Planner.

The International Airport bus service will operate from the bus and coach area. Please have a pre-purchased ticket available as Airport workers tickets will not be able to be purchased at the International station over the weekend.

Please plan your journey in advance and allow for extra travel time due to track works. Visit <https://translink.com.au/updates/> for further information or see one of the Airtrain staff at the Airport.
